Gentlemen:

On 29 and 30 October 1964 your [REDACTED] visited our facility in [REDACTED]. As a result of discussions held, we have investigated various technical areas and their financial impact on Phase II of the subject contract.

Specifically, the areas discussed and their estimated costs are:

<u>Technical Area</u>	<u>Estimated Sales Price Cost</u>
1. Chip Ejection Mechanism and Processing Magazine Loading	[REDACTED]
2. Data Recording	
3. Magnified Image and Photo-Cell Pickoff	
4. Parity	
5. <del>Magazine Drive</del>	
6. Security Classification	
7. Teletype ASR-35	

While we have presented a brief technical discussion and their estimated cost, for the above items, we also wish to inform you that we are presently investigating the other technical areas discussed at the 29-30 October 1964 meeting. Upon our completion of each of

these remaining investigations, we will immediately present to you a technical determination and its resultant estimated financial cost.

In the event that you deem the above technical areas as being a requirement for Phase II, we will then firmly cost estimate these areas for incorporation in our estimate for Phase II of the subject contract.

We trust that the above information is sufficient for your requirements. However, if any additional discussion or information is desired, please contact the undersigned.

Very truly yours,

Contracts Administrator
